2023 SPONSORSHIP OPPORTUNITIES

# Our Mission

*St. Luke's creates a community where children, families and seniors from different backgrounds can easily access the resources needed to live fulfilling lives.*

St. Luke's Community House serves children, families and seniors from diverse backgrounds and puts them on a path for a better future. In our rich 100+ year history, St. Luke's has continually responded to the needs of the community and has evolved into a place where residents from across Davidson County can access multiple services under one roof. We feed hungry individuals and families through our Food Bank and Mobile Meals programs. We help prevent and end family homelessness and disrupt cycles of poverty through the work of our Family Empowerment Program.

Our diverse Preschool program prioritizes the needs of low-income families who cannot afford the rising costs of childcare, while providing a literacy-rich education to 120+ students daily. We also offer seasonal programs, such as free tax preparation and holiday support, to further enrich the lives of people in our community.
